Applications:

Breakfast

Start your day with a glass of ARKHUM Tomato Fruit Juice. This juice is a great way to kick-start your metabolism and provide you with the energy you need to tackle the day. With only 6mg of sodium and 12.4g of carbohydrates per 100ml, this juice is a healthy and delicious alternative to other sugary breakfast drinks.

Snack Time

When you need a quick pick-me-up, ARKHUM Tomato Fruit Juice is the perfect snack. This juice is light and refreshing and will help keep you hydrated throughout the day. It contains no protein and is low in calories, making it an ideal choice for those who are watching their weight.

Party Time

ARKHUM Tomato Fruit Juice is a great addition to any party or gathering. Use it as a mixer for cocktails or serve it on its own as a non-alcoholic option. The unique flavor of tomato pulp combined with the sweetness of the juice makes it a crowd-pleaser.

Cooking

ARKHUM Tomato Fruit Juice is a versatile ingredient that can be used in a variety of recipes. Use it as a base for tomato-based sauces or add it to soups and stews for extra flavor. You can also use it to make a delicious Tomato Stir Juice.

After Workout

After a workout, your body needs to replenish the nutrients that were lost during exercise. ARKHUM Tomato Fruit Juice is a great way to do this. With only 220 KJ of energy per 100ml and 3% nutrient reference value of energy, this juice will help you recover without adding unnecessary calories.

ARKHUM Tomato Fruit Juice is a healthy and delicious beverage that can be enjoyed in a variety of ways. Whether you're looking for a quick snack or a refreshing drink, this juice is the perfect choice.
