FAQ:

Q: What is ARKHUM Unsalted Tomato Juice?

A: ARKHUM Unsalted Tomato Juice is a delicious and refreshing drink made from high quality tomatoes. It is free from any added salt or artificial preservatives, making it a healthy option for those looking to cut down on their sodium intake.

Q: How is ARKHUM Unsalted Tomato Juice made?

A: Our tomato juice is made from fresh, ripe tomatoes that are carefully selected and blended to create a smooth and flavorful drink. We use a special process to extract the juice from the tomatoes, ensuring that all the nutrients and natural flavors are retained.

Q: Is ARKHUM Unsalted Tomato Juice vegan?

A: Yes, our tomato juice is vegan-friendly and contains no animal products or by-products.

Q: How should I store ARKHUM Unsalted Tomato Juice?

A: Our tomato juice should be stored in a cool, dry place away from direct sunlight. Once opened, it should be refrigerated and consumed within 3-4 days for best quality.

Q: What are the health benefits of ARKHUM Unsalted Tomato Juice?

A: Our tomato juice is rich in vitamins and minerals, including vitamin C, potassium, and lycopene. It is also low in calories and fat, making it a great choice for those watching their weight. Additionally, it is free from added salt, which can help to lower blood pressure and reduce the risk of heart disease.
