Applications:

One of the most popular applications of ARKHUM's pouch tomato sauce is as a dipping sauce for snacks such as fries, onion rings, and chicken nuggets. The rich and tangy flavor of the bagged tomato pulp perfectly complements the saltiness of the snacks. Moreover, with 2562 mg of sodium per 100g, the pouch tomato sauce can also be used as a seasoning for other dishes.

ARKHUM's pouch tomato sauce can also be used as a base for pasta sauces and stews. The bagged tomato jam adds a depth of flavor to the dishes and makes them more satisfying. The sauce can be used as is or further seasoned with herbs and spices to suit the taste preference of the cook.

For those who are health-conscious, ARKHUM's pouch tomato sauce is an excellent choice as it contains only 5% of the nutrient reference value for energy. This makes it a good option for people who are watching their calorie intake. Additionally, the sauce is packaged in a convenient pouch, making it easy to store and use.

In conclusion, ARKHUM's pouch tomato sauce is a must-have condiment for every kitchen. Whether as a dipping sauce, a pasta sauce base, or a seasoning for stews, the bagged tomato paste adds flavor and nutrition to any dish. With its convenient packaging and healthy attributes, the pouch tomato pulp is the perfect choice for those who want to elevate their cooking while still being mindful of their health.
